

ARIZONA GOLF ASSOCIATION

November 27, 2017

To Whom This May Concern:

The Arizona Golf Association, on behalf of our 500 clubs and 78,000 members, is writing in support of H.R. 3905, the Minnesota's Economic Rights in the Superior National Forest Act (MINER Act).

It is imperative that the rights of states in the determination of its mineral rights is preserved.

Sincerely,

E. F Gowan

Executive Director
