6       and threatened species, the Secretary must find that  
7       under the State program—

16              mined by the Secretary to be endangered spe-  
17              cies or threatened species or for those species or  
18              taxonomic groups of species that the State pro-  
19              poses to cover under its program, and has fur-

21              program together with all pertinent details and  
22              information requested by the Secretary;

8 to further the conservation objectives for the  
9 species; or

10 “(B)(i) the requirements set forth in  
11 clauses (iii) and (iv) of subparagraph (A) are  
12 complied with; and

13 “(ii) plans are included under which imme-  
14 diate attention will be given to those resident  
15 species that are determined by the Secretary or  
16 the State agency to be endangered species or  
17 threatened species and that the Secretary and

10 shall not exceed 75 percent of the esti-  
11 mated program cost stated in the agree-  
12 ment; and

13           “(II) the Federal share may be in-

13           tive management agreement under subsection (b) or  
14           received authority under a delegation under sub-  
15           section (c) of this section to assist in development of  
16           programs for the conservation of endangered species  
17           and threatened species or to assist in monitoring the  
18           status of candidate species pursuant to subpara-  
19           graph (C) of section 4(b)(3) and recovered species  
20           pursuant to section 4(f). The Secretary shall allocate

14          “(F) the importance of monitoring the  
15          status of candidate species within a State  
16          to prevent a significant risk to the well-  
17          being of any such species; and

18          “(G) the importance of monitoring the  
19          status of recovered species within a State  
20          to assure that such species do not return  
21          to the point at which the measures pro-  
22          vided pursuant to this Act are again nec-  
23          essary.

24          “(2) UNOBLIGATED AMOUNTS.—So much

2 LAWS.—Any State law or regulation that applies with re-  
3 spect to the importation or exportation of, or interstate  
4 or foreign commerce in, endangered species or threatened  
5 species is void to the extent that it may effectively—

6               “(1) permit what is prohibited by this Act or by  
7 any regulation that implements this Act; or

8               “(2) prohibit what is authorized pursuant to an  
9 exemption or permit provided for in this Act or in
